INDIA'S PREMIER SOURCING SHOW

APPAREL SOURCING WEEK | 2020

SHOW FEATURES

Expo

With over 100 garment manufacturers and about 50 fabric and accessories manufacturers showcasing their manufacturing capabilities for an expected footfall of 10K buyers and visitors, this expo is specially organized to highlight manufacturers and their portfolio consisting of not only garment categories of shirts, t-shirts, jackets, denim, sweaters and many more, but also fabrics of various blends and textures, with accessories like trims, labels, buttons, zippers, etc. making it a vertically integrated one-shop-stop sourcing platform.

Conference

Get to know what industry experts have to say on various subjects and what ideas can you incorporate in your business. With a spread of 30+ knowledge platforms by 100+ speakers including workshops, seminars, open house discussions, vendor sessions and much more, this is a perfect opportunity to align oneself to the industry, right from understanding business opportunities to overcoming various challenges faced by companies.

Networking

Opening Party: Kick off the first evening of ASW with exhibitors and retailers directly from the top level of fashion retail industry, breaking the ice with a decadent dinner served at Sheraton Grand.

Retail CXO party: Didn't really get to share your business cards on the first day? Well here's another gala opportunity to have fun and tantalize your taste-buds with a sumptuous feast. Share your stories with the CXOs of fashion's biggest retail brands from across the globe.

Golf Day

Shed off your corporate suits and get the club going by indulging in a golf tournament followed by lunch, beer and wine.

Vineyard tour

Get in with your hands and feet in an exhilarating grape stomping session followed by a tour of the bottling plant and a sumptuous tasting of an assortment of wines in the cooling valley of Nandi Hills.

Retail Tour

Indian retail is an emerging dynamic sector and to highlight how retail works in the silicon valley of India, we have organized a comprehensive retail tour which will enlighten you about all kinds of retail formats and market hubs prevalent in Indian retail. From malls to high street, this retail tour is bound to be an excellent opportunity to get to learn about brands and labels alike.
